## Sleeplessness

When you have a lot of dead weight in your stomach, as is the case of indigestion, the nervous system becomes so irritated and unstrung that it prevents your sleeping. You are not really suffering from innomina, as some will tell you, but from indigestion, the primary cause of your sleeplesaness. Now, there are many ways of getting yourself to sleep. You can drink or ampite yourself to sleep. You can drink or ampite yourself to sleep, or you can use powerful drugs, narrotion, such as opium and laudanum. But the natural way to court slumber, for a man suffering from indigestion or any other stomach trouble, is first to correct the disturbances in the stomach, to remove the fettid debris that in clorging the machinery of your body, and this is best and most quickly done with

A summons was issued for Michael Quinlan, whose deposition was to have been taken in the afternoon. The Sheriff was unable to find him, however, and the inquiry was adjourned. The depositions were taken, as on Monday, before Notary Public John E. Bishop, Attorneys Frank Hagerman and Alexander New of Kansas City appeared for the defense.

This clores the taking of depositions in St. Louis in the injunction case against Nelson Morris & Co. The Attorney General will take testimony in Kansas City, beginning October I in the quo warranto proceeding against the Armour and other packing companies. When through in Kansas City he will return to St. Louis and take more testimony.

Metropolis, Ill., Sept. 30.-Eldridge Edwards and Sam Randolph, timber men of this city, had a remarkable experience last night in the Ohio River just above here. They were coming home from Silver Cliffs, Ky., in a skiff and arrived here abo night. While they were out in the stream water was thrown violently up in the six about twenty feet high. They were drenched to the skin and their boat came near being overturned.

Edwards is an old river man, but says he never heard of such an occurrence before. Some are of the opinion that the explosion was caused by natural gas in the earth below the river bed.

Mr. Thomas Safford of 505 Von Versen Avenue (Twenty-eighth Ward) says: "I have often noticed testimonials published in St. Louis about mediciness but all of them from foreign parts, and it has often struck me as peculiar why they did not publish some nearer nome. Here is a case in St. Louis, and you ere at liberty to send any resident to Tom Stafford for his opinion of Doan's Kidner Pills and what that remedy did for him. My back ached so that I could not rise from a chair, and was almost unable every now and then to get out of bed. Worse than that, I was often unable to He in bed and was compelled to rise and for weeks at a time I could not aleep. For two or three days at a time I could not leave the house. When I stooped or hifted, a kink caught me in the small of my back which rendered me helpless for the time being. I tried mellicine of every description until I lost faith in it. When I told my people I was going to Welff-Wilson's, corner Sixth and Washington avenue, for Doan's Kidney Pills, they laushed at me, and asked me if I was to try some other take. Now when a preparation brings as genuine relief to a sufferer as Dean's Kidney Pills brought to me I am only too pleased to make that fact known so that others may profit by my experience. I am perfectly willing to go to a maxistrate and take an oath for every word that I have made in the above statement. I repeat, send any one to me for minutes particulars about Doan's Kidney Pills."
